Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3856

Please stop this from passing! We are already one of the highest taxed states and most people in my circle already struggle financially. Please review the state's budget, and find money to do what needs to be done within the state's current funding. Reaching into the pockets and livelihood of Oregon citizens is getting to be too much. Thank you.
