I'm getting quite tired of this government that oregon has. Tax this tax that.
It's time to audit all areas of the Government and I'm talking all areas from
Senator's, Governor, Mayor's and all city council members. Living on a fixed income
and trying to deal with inflation is bad enough. With this add this to increase revenue
for the state crap. Just freaking tired of it. Oregon one of the most beautiful states I've
lived in your driving me to move.
