

Submitter: Lamar Yoder

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

This bill is in violation of our second amendment rights.

The criminals are the ones that need to be punished for their actions. Upstanding citizens should have the right to protect themselves against criminals. The state of Oregon should work diligently to create stronger penalties for the wrong doers instead of punishing the people who are trying to protect themselves.
