

Greetings, House Committee on Judiciary:

NO on HB3075

Let us praise and pray via Almighty God, the Creator, Father and Lawgiver who: led the ancestors of Abraham, Isaac and Jacob along with their progeny; is the same in the past, today and into the future. May His blessings and curses be abundantly given as He has prescribed within His Laws, Statutes and Judgments. May He give insight to the leaders of this State and Nation to help them obey Him. We are thankful to Him for giving His only begotten Son as recompense for the sin of those who He permits to accept and know His Son as the One and Only Lord, Savior and Christ, Jesus. We ask that He hear our prayers in the Holy Name of His only-begotten Son, the One and Only, Lord, Savior and Christ, Jesus. Amen.

*I do not support HB3075. Ballot Measure 114 is in dispute within the court system and no final determination has yet been made by the Supreme Court of the United States. Any further legislation regarding this is a waste of time, effort and funds. Stop this pathetic waste of taxpayer's time, efforts and funds. No additional boards are needed to consume more taxpayer's money in Oregon with more rules and regulations! We cannot trust bureaucrats to decently manage an additional complicated system.*

NO on HB3075

There is no need to Increase the maximum fee that may be charged for an initial application for and renewal of a permit.

NO on HB3075

Multiple policing agencies, including duly elected Sheriffs, throughout Oregon have indicated they will not support nor initiate any new so-called requirements.

NO on HB3075

The only need for a declaration of emergency is due to the unconstitutional acts of those who propose this legislation and their upcoming charges relating to 18 USC 241.

Thank you.

Respectfully submitted,
