HB3075

Shortly after moving to Portland from our home outside of Jerusalem, Israel, my children and husband were caught in the crossfire of a gang shoot out in our local park in NE Portland. Fortunately, everyone in the park, including the shooters were uninjured. My then 9 year old spoke out publicly about the event , presenting at a Portland City Council Meeting, speaking with news reporters and then working for months with a therapist to help clear the trauma which she still carries with her. This event has changed the lives and trajectory of our family forever. If you have never experienced the tragedy of gun violence, it is nearly impossible to understand how it destroys a person, a family, a community. Please pass HB 3075-1 without delay for the full implementation of Measure 114. Thank you!

I am an Oregon voter and I support HB3075-1. Please pass HB 3075-1 out of committee without delay so it is ready, as soon as the court's stay is lifted, for full implementation of Measure 114. We passed Measure 114 to reduce gun violence. It's time to begin saving lives.
