Subject: Opposition to House Bill 3075

I am writing to express my strong opposition to House Bill 3075, which seeks to impose restrictions on my constitutional right to keep and bear arms. As a law-abiding citizen, I believe this bill is an unnecessary infringement on my Second Amendment rights and will do little to enhance public safety while unfairly penalizing responsible gun owners.

The right to self-defense and personal protection is fundamental, and further restrictions on firearm ownership only serve to hinder those who obey the law, while criminals continue to ignore such regulations. Instead of placing additional burdens on responsible gun owners, I urge you to focus on enforcing existing laws and addressing the root causes of crime, such as mental health issues and illegal firearm trafficking.

House Bill 3075 does not reflect the values of responsible gun ownership and personal liberty that many of your constituents hold dear. I respectfully ask that you oppose this bill and protect the rights of law-abiding citizens like myself. Please stand against legislation that restricts our constitutional freedoms and instead support measures that enhance safety without compromising our rights.

Thank you for your time and consideration. I appreciate your service to our state and look forward to your response on this critical issue.

Sincerely,

Lee Womack
