

Submitter: Jeremy Schriber

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

This bill was extremely misleading to people that haven't bought a firearm before by implying that we didn't already have a background check that has to be done each time we purchase a firearm. The magazine capacity ban is insane. Going to make it so we will not be able to purchase many different firearms just because they hold more than 10 rounds... thanks for punishing the law abiding citizens of Oregon...
