

To the Senate Natural Resources and Wildfire Committee

RE: SB 1076 SUPPORT FOR

It is time for Oregon breeders to be held accountable to high animal care and welfare standards, disease prevention, and oversight. SB 1076 would direct the Department of Agriculture to create a breeder licensure and standards program for dogs, cats, small mammals, and small birds. In the face of the unsustainable strain on our overburdened shelters and rescues, SB 1076 is long overdue legislation.

Kind regards,

Angie Brummitt
