Committee: House Committee On Judiciary
Measure, Appointment or Topic: HB3075

I oppose HB3075 for the following reasons:

1. It is not constitutional. The founding fathers wrote the Second Amendment to include rights to posses and carry firearms.
2. If a person is determined to hurt another human being, they will use what ever is available to them. Firearms themselves do not go out and decide to hurt someone on it's own. The person behind the gun is the one who decides.
3. The countries that prohibit firearms still have violent crimes. Anything can be used as a weapon.
4. This will cost more money to implement and enforce than Oregon has money for. The budget is already over bloated.

I urge you vote NO on this issue.
