On Behalf Of: Oregon
Committee: House Committee On Judiciary
Measure, Appointment or Topic: HB3075

Please leave our gun rights alone . We are not criminals and don't want to be criminals. Witch if all this crap goes through it will in affect turn us into criminals. We the people are tired of the left wing constantly coming at us. Now the government wants to tax us on our Wells also . We have payed thousands of dollars for our own water systems leave us alone.
