

Submitter: Richard Crimi

On Behalf Of:

Committee: House Committee On Education

Measure, Appointment or Topic: HB3360

Dear Chair Neron and Committee Members,

Kick the Kicker, in any way, shape or form. I would much prefer to see the Kicker eliminated entirely such as passing SB 573, but what's on the table here is a positive step. Please pass HB 3360.

Sincerely,  
Richard Crimi
