On Behalf Of:	Adult Care Homes
Committee:	House Committee On Labor and Workplace Standards
Measure, Appointment or Topic:	HB3838

As an Adult Foster Care Home provider with over 30 years of experience in the field, I am very concerned about the implications of HB 3838. Adult foster care homes in Oregon are already facing an uncertain future, with many homes closing due to bureaucratic over-reaching and a shortage of caregivers. Instead of focusing on another un-necessary regulatory system, please place your focus on strengthening the measures which are already in place, increase the Medicaid reimbursement rates, and offer incentives for the care homes to remain in business. Please support the adult foster care home industry, and OPPOSE HB 3838.
