Measure, Appointment or Topic: HB3856

Please vote in opposition of HB 3856. We as Oregonians DO NOT need any more taxation. With the amount of money that is paid each year to ODFW by Oregonians for the privilege to hunt and fish is astounding, especially for the poor quality of hunting and fishing in this state, the diminishing sizes of our deer and elk herds and salmon and steelhead runs. More money is not going to make them do a better job of managing our fish and wildlife resources. It is time to trim the fat and do more with less.
