Measure, Appointment or Topic: HB3075

Yeyt another waste of taxpayers money, and an attempt to thwart the United States Constitution, by worthless legislation thats stated goals are unobtainable, and unnecessary. It would be refreshing to see a return to the real world by state politicians, instead of fear mongering grandstanding antics to push forward a socialist agenda. This is a ridiculous waste. The Oregon legislation body is failing to do their jobs. This bill is a mess, started out a mess, and trimming it down didn't change the fact that it's a worthless bill.
