

Submitter: Tim Johnson
On Behalf Of: My Family
Committee: House Committee On Judiciary
Measure, Appointment or Topic: HB3075

This measure only harms honest american gun owners such as myself and my fellow outdoorsman. This measure takes away from my constitutional rights and does nothing to take guns away from criminals. Honest citizens of oregon already have to pass a back ground check to purchase a firearm. Hunters/Firearm saftey course are also already required to hunt in Oregon. This measure will do nothing to prevent suicide/firearm crimes. Crimes committed with firearms are a mental health issue. Are we going to ban knives, axes, and swords next?
