

Submitter: justin hawkins  
On Behalf Of: south suburban sanitary district  
Committee: House Committee On Climate, Energy, and  
Environment  
Measure, Appointment or Topic: HB3655

I am in full support of this bill, as it will benefit operators in both lagoons and mechanical plant treatment operations, as well as possibly DEQ. I believe it will help in the long term for operators to stay in the industry and want to test up to the next grade of treatment.
