Committee:	House Committee On Labor and Workplace Standards
Measure, Appointment or Topic:	HB3838

I strongly oppose HB 3838, which would impose unnecessary and costly regulations on home and community-based care providers. This bill creates excessive bureaucracy, increases operational costs, and threatens the survival of small adult care homes like mine. Mandated benefits and rigid workforce standards will only worsen staff shortages and force many providers out of business, reducing care options for vulnerable Oregonians.

Instead of more government control, we need real support—funding, incentives, and flexibility—to sustain quality care. Please reject HB 3838.
