

Submitter:

Nick Kinni

On Behalf Of:

Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB3075

Putting the right to purchase a firearm in the hands of law enforcement is 1. unconstitutional and 2. would 100% lead to marginalized peoples having less access to firearms as compared to white populations.

I am a registered democrat, a liberal, a 2a supporter, and a supporter of SENSIBLE gun control. I believe the 2a is a right for all, not for who law enforcement deems fit.
