Section 22: One of the most egregious sections of this bill states "litigation be reduced to ONE county courthouse, Marion County" for any and all things relating to a STATEWIDE issue. The audacity of lawlessness abounds.

In the year 2023, in The State of Oregon, fentanyl killed 843 souls compared to 640 souls from gun inflicted wounds. Where is the balance? I believe that the last I checked, criminals don't care about the law.
