

Submitter:	Debra Merskin
On Behalf Of:	
Committee:	Senate Committee On Natural Resources and Wildfire
Measure, Appointment or Topic:	SB1076

In the face of Oregon's shelter capacity crisis and the unsustainable strain on animal rescue entities across the state, it is time for Oregon breeders to be held accountable for high animal care and welfare standards, disease prevention, and oversight. This will ultimately result in better care for beloved pets and standards by which quality of care can be assessed. Thank you and please support SB 1076.
