I Oppose HB3166

This is an apparent way for the legislators to come in the back door with a measure we have already voted on. Ranked Voting is not a legal tally of a majority of Oregonians,

I am an Independent and certainly would like the opportunity to vote in primaries, but NOT at the expense of attaching a back door bill!

I do appreciate the hard work anyone in public service does, but trusting these servants we have elected gets eroded by tactics like this.
