Dear Members of the House Judiciary Committee,

I am writing you in strong opposition of HB 3075. I feel that this is not a good use of public resources and puts the state in a position for further litigation. This bill is fundamentally flawed and does not even attempt to consider public safety. We all want to save lives; that being said, Oregon gun owners deserve the right to have a seat at the table, especially when we are the ones who face criminal penalties. We are not the ones who commit gun crimes. Please, do not punish the over

99.6% of Oregonians who did NOT commit a crime with a gun. Do the right thing and do not pass this piece of legislation. Thank you!

Sincerely,
Chris Wendt
