

Submitter: Joshua Taylor

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

I feel this bill is absolutely ridiculous as we all know, that's has nothing to do with gun safety, rather than gun control. Criminals will still aquire guns as the Govt and advocates well know! This is an absolute infringement on our constitution and will more than likely make "criminals" out of all upstanding firearm owners. I oppose this to the fullest extent!
