

Submitter: Christopher Miller

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3076

HB 3076 is just more useless bureaucracy. To obtain A FFL is a lengthy process with background checks done at the federal level hence the first F in FFL. It will do nothing to stop violence or crime. If the legislators truly wish to stop crime they should focus on increasing penalties for crime, as well as directing courts to not be lenient when there is a crime committed with a firearm.
