

Submitter: REBECCA Haas

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SB681

I support the Pause Act - SB 681.

I care how Oregon PERS funds are invested and I oppose new private investments in fossil fuels. We owe it to future generations to invest in renewable and green energy.

Climate change is here with disastrous results: heat domes, wildfires, droughts and more. The Pause Act will contribute to a green energy transition, the only solution moving forward.

Thank you!
