Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3856

On behalf of Oregonians, we are adamantly opposed to another income tax. Oregon needs to cut programs if it cannot support them through the already existing tax revenue. More specifically, prioritize the spending to critical needs and cut the waste. Stop trying to sneak another tax in the back door without voter awareness. Perhaps it's time for a committee of the general public to oversee the spending allocations.
