Measure, Appointment or Topic: HB3075

I oppose Measure 114 in Oregon AND HB3075 because they violate our constitutional rights to bear arms. I'm concerned that they're introducing a permit system that gives too much discretionary power to the police, which could lead to biased decisions on who can own guns. Moreover, I feel they fail to address the root causes of gun violence effectively and could disproportionately limit access to firearms for minority groups, exacerbating existing inequalities. The supreme court has made it clear the limits on magazine size are unconstitutional. Our government is supposed to be following the constitution. This is violating our constitutional right if it goes through. Everyone knows this. To push it through is a legitimate act of tyranny.
