

Submitter: Mike Neal

On Behalf Of:

Committee: Joint Committee On Ways and Means Subcommittee On
Transportation and Economic Development

Measure, Appointment or Topic: HB5024

To the Joint Subcommittee:

The Oregon Film Office is a valuable asset to our state. As a production accountant for films and television, I work directly with film commissions throughout the country and internationally. I can honestly say the Oregon Film Office is the most efficient and effective film office I've encountered. They administer several programs essential to the media ecosystem in Oregon, including the production incentive programs, which attract considerable economic activity to our state. I support the proposed funding allocation to ensure the Oregon Film Office can continue to operate at their current level of excellence.

Sincerely,
Mike Neal
