

Submitter: Nolan Knox

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3076

Tax payer money should not be spent on studying if more bureaucratic red tape laws will help curb or control gun crimes. It obviously does nothing. The law says do not murder, but people murder. More laws do not stop this. Just like more gun laws and burdens on gun shops will not make criminals law abiding citizens. It will only hurt those who try to obey the laws.
