

Submitter:

Ben Abboud

On Behalf Of:

Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB3076

In opposition of this bill, along with any other that infringes on the rights of Oregonian's and further restricts them from their constitutional rights. Shall not be infringed is plain English written within the 2nd amendment. For people who constantly tout their intelligence, I'd have thought you would have learned to read.
