

Submitter: Christi Crowley

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3076

I am a North Portland resident and have lived in Portland for 21 years. This legislation that promotes more expansive regulation on deadly firearms is needed in our state, and I strongly support this bill to help keep our children and community safe.

Nearly all other industries - taco trucks, salons, nail shops - are inspected. We must ensure the most deadly industry is held accountable to basic business standards.
