I am in complete opposition of new taxes to any of our income streams. I am 58 years old and I have been paying taxes since I was 18 we pay income taxes, property taxes, taxes on 401(k) withdrawals, taxes on pensions taxes on my husband's Social Security we are taxed to death in Oregon. Oregon needs to learn to live within the means of revenue that it already has. We live within a budget you bureaucrats need to live within yours. People are leaving Oregon by the droves to other states where they are taxed less and the politics are not so democratic Oregon is a beautiful state, but the taxes are killing us. We have considered moving as well. I hope you take my vote into consideration, no more taxes I repeat no more taxes. Run the state with the money that you have.
