On Behalf Of:

Committee: Joint Committee On Transportation

Measure, Appointment or Topic: HB3626

Members of the Committee,

Please support this measure to increase the safety of micromobility options. As a local Safe Routes To School Coordinator, I hear of the challenges that many areas around the country are facing with the misuse of scooters and motorcycles posing as bicycles. The worst injuries are occurring not with actual e-bikes, but with motorcycles and scooters. Please pass this sensible measure to better regulate an important transportation option.

Thank you.

Sarah
