Committee:

Senate Committee On Health Care

Measure, Appointment or Topic:

SB842

I oppose SB 842. What is the reason OHA needs to increase the licensing fees?

We all know those costs will be passed on to the patients ultimately.

And then there is the transparency issue. Why should a facility that isn't performing up to standards be protected.

The public has a right to know that information. Would you like your loved one to be somewhere that provides sub-standard care?

NO ON SB 842
