

Submitter: Jim Traywick

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

I am 74 years old and have owned guns since I was 13. I have never used my guns for anything but hunting. I do carry a weapon with the intent of self protection. It is my opinion that by restricting gun ownership for law abiding citizens is not the right move. It will not keep criminals from acquiring firearms and committing crimes.
