Measure, Appointment or Topic: HB3166

All legislators are fully aware of all the arguments. The issue comes down to supporting this bill which gives all voters an opportunity to participate in the democratic process. Our democracy is in peril due to leadership in DC, so we must be more assertive in allowing Oregonians to participate in the most basic of our rights. Both parties have alienated more and more voters over the years, and the denial of this right to vote is a big reason why. Glve everyone the right to vote and be true statesmen and protect our democracy.
