Committee:	Senate Committee On Natural Resources and Wildfire
Measure, Appointment or Topic:	SB1076

Please support this bill. It will limit annual license fees for Animal Rescue entities. These organizations, so valuable to our community, are already over burdened with animals received from the public. We need to keep their costs down. On the other hand, Oregon animal breeders should be held accountable to a high level of animal care and welfare standards, disease prevention and oversight. This bill supports both positive aspects of better animal welfare.
