

Submitter:

JOHN MUNSON

On Behalf Of:

Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB3075

I fully support HB3075-1. As an Oregon voter, I urge you get HB 3075-1 out of Committee immediately if not sooner. . We, the people, passed Measure 114 to reduce gun violence.

HB 3075-1 will help implement Measure 114. Let's reduce gun violence, and let' be a beacon for other states who are concerned about the inexcusable gun deaths and injuries that we have suffered too long.

Sincerely,

John Munson
