

Submitter: Michael Dahlberg

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3076

I do hereby submit my testimony in opposition to HB3076. The state of Oregon is once again waisting tax payer dollars trying to find anything to use against its law abiding citizens and now with this proposed bill law abiding federally licensed law abiding systems who support firearms. Stop waiting Oregon tax payer dollars on useless bills!!!
