Committee: House Committee On Rules

Measure, Appointment or Topic: HB3166

I support changing voting rules so that voters can select to vote for candidates from all political parties. As a long time voter (I'm 82), it has often occurred that a person from a different party than mine would have my vote if I could vote for them. I also support the idea of listing all candidates for an office and allowing voters to rank their choices, especially in the primary,
