On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

I and my family are generations of law abiding citizens here to protect and help anyone we see in need. Born and raised 50 years in Oregon I can't even keep up with what is coming at us from bills being pushed. HB 3075 is an attack on my rights as a gun owner and my rights as a good citizen. More and more the power is being turned over to the criminals and removing rights from those who actually work, pay taxes and pay your wages. This bill is so destructive to all of us "good guys" who work hard and do the right thing daily. PLEASE do not punish us and my future generations by passing this bill! Please!

Sincerely,
Brandi Stone
