I oppose this bill as I feel that no amount of laws will ever keep firearms out of the bad guys hands. All this does is cause people who have the rights, the desire, the passion and the dedication to own a fire arm more money , loss of time to jump through the possible hoops to be able to ensue the right to own a fire arm which they should not have to do in the first place. This is unconstitutional and absurd. Criminals don't buy their guns legally but honest and hard working citizens like me do!
