Measure, Appointment or Topic:	SB1076

I am in favor of SB 1076, which would ask Oregon to create breeder licensure for dogs, cats, small mammals and small birds. In addition, SB 1076 would help our over full shelters and rescue organizations by limiting the annual license fees for Animal Rescue Entities.

In 2024 at least 65,764 cats and dogs came through Oregon rescue organizations, which are underfunded. Limiting the annual license fees for these rescue organizations would be helpful.
