As a Soldier in the Oregon Guard, I have dedicated my blood sweat and life to this State for over 25 years. I have deployed to a war in Iraq lived in Vietnam in support of Oregonians State Partner and provide life saving measures to my fellow Oregonians during natural disasters and emergency situations. I have missed major family holidays and events.

Giving all of that sacrifice, I hope to retire in this beautiful State. I am not sure I can afford to do that with the current tax rate. My daughter is about to turn 17 years and wants to follow in my footsteps. When she decides to have a family, I hope she can afford to raise her family in the State she and I were both born and raised in.
