

Submitter: Kate Shannon

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

I oppose this, as a mother and woman this only makes it more difficult for me to defend myself. Criminals don't care about these laws and I don't think they will save lives. We have laws in place for these things and they work for law abiding citizens. This is a propaganda and extremism push for control over civil liberties which should not be entertained.
