Committee: House Committee On Behavioral Health and Health  
Care

Measure, Appointment or  
Topic: HB3380

As a former volunteer firefighter,

This is a great incentive to promote more volunteers to our ever struggling rural fire districts.

While this no longer would affect me due to not being a current volunteer, I can see how this will help out volunteers in a small way as a reward.

I SUPPORT THIS BILL!!! (going from 250\$-1,000\$)
