Measure, Appointment or Topic: HB2050

I support HB2050 Income Tax Exemption to Veterans. It is the right measure to provide those whom served their state and nation. Many other states in our republic have this type of legislation already in place to the Veterans in their respective states. It is refreshing to see Oregon considering this Bill. Veterans dedicated themselves to the defense and service to this nation. By providing this Income Tax Exemption to Veterans shows that Oregon also honors and respects Veterans for the sacrifices made. Please pass HB2050 Income Tax

Exemption to Veterans. It is the right thing to do, show that Oregon truly honors its veterans. I know Douglas County is a big advocate for Veterans. Let's see the entire state support our Veterans by passing this bill.
