HB3755

I am writing in SUPPORT of this bill. Our seniors are a demographic who are most vulnerable and at risk when cost of living rises. Giving them a property tax break, I think it is essential for them to thrive with their fixed incomes. I believe this is a great start. Please vote YES on this bill and provide some relief to our struggling seniors. I think it should be for all seniors regardless if they lived here one day or 20 years. I know Texas has this for their seniors. Please pass this bill to help out our seniors.
