Committee: Senate Committee On Health Care

Measure, Appointment or Topic: SB842

My name is Monique Bochsler, and I am expressing my opposition to SB 842. What justifies the Oregon Health Authority's decision to raise licensing fees? It is clear that these increased costs will ultimately be borne by patients. Additionally, there is a significant concern regarding transparency. We need to eliminate unnecessary expenses and ensure that we are genuinely supporting Oregonians rather than complicating their access to care. I stand firmly against SB 842. Thank you,
Monique Bochsler
