

Submitter: Shane Cormalis

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3075

I appose mesure 114! Do to it being against our constitutional right to bare arms! As I am a lawful gun owner and bide by the laws. The people as a whole who agree and bide buy the current laws and actually have training should not be punished do to the ignorant and irresponsible gun owners! I do not agree with the states agenda on this matter is it almost sickening what Oregon has come to!
